Dear Madam,

Diary No. 1630 / d. D. E. No.
Date 20/3/17

Namaskaar !

→ Mr. G. R. S.

I would like to take the opportunity to draw your kind attention to the activities of National Productivity Council (NPC), an autonomous body under the Department of Industrial Policy and Promotion, Ministry of Commerce & Industry, Govt. of India.

61
Addl. Secy

National Productivity Council mentors and supports organizations to improve their triple bottom line – economic, environmental and social outputs and outcomes through generation and application of advanced knowledge. NPC provides unrivalled holistic solutions for improving productivity and competitiveness through a slew of services viz. consultancy, capacity building, training, action research, innovation, etc. customized to suit the client's needs. NPC is a constituent of the Tokyo-based Asian Productivity Organisation (APO), a nonpolitical, nonprofit and nondiscriminatory and an Inter Governmental Body, of which the Government of India is a founder member. Please find enclosed NPC's brochure for your kind perusal. You may like to visit our website www.npcindia.gov.in also.

Coord
213

NPC, over its 59 years of existence, has built extensive experience in problem solving right from the shop floor level to strategic and policy issues at the macro level. NPC has the requisite professional strengths as well as repertoire of skills/expertise. NPC's long service relationship includes well-known names in both public – Central/State Government departments/PSUs and private sectors as well as with academic organizations with whom it has developed synergistic partnerships.

28/3/17

The scope of National Productivity Council's collaboration and partnership with your esteemed institute can be through endorsing a series of short training courses specifically for students from various engineering streams. The participants would be trained by technically qualified and APO certified productivity practitioners having vast experience of consulting and training in several productivity enhancements tools, techniques and concepts. The NPC-APO certified Productivity Practitioners would train a group of 50 Master Trainers from various engineering colleges, at a reasonable fee, who in turn would conduct the NPC-APO Certificate courses under close supervision of NPC, on
