In-house Workshop for IV Semester Students of IT

As per the University Syllabus ETIT 359, Four Week In-house workshop is arranged for the 4<sup>th</sup> Semester students starting from 12<sup>th</sup> June 2017 to 9<sup>th</sup> July 2017 on the following topics:

1. Android Application Development (Week 1)
2. Web Application Development (Week 2)
3. Software Engineering – An Industrial Perspective (Week 3)
4. Group Project (Week 4)

The course materials will be uploaded in Eliademy Website. The workshop is based on project based learning, where the students are expected to carry out a mini-project at the end of the course. Successful candidates will be issued certificate. The complete course is handled by Dr. Srinivasa K G, Head (IT).

The workshop will be start at 10.30AM in the MP Hall. All the students need to assemble at around 10.00 AM in the MP Hall and register themselves in the prescribed format. The registration is compulsory.

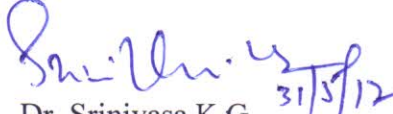

All the interested students hereby requested to send an email to [hoditgcec@gmail.com](mailto:hoditgcec@gmail.com) [Subject Heading: <your semester> <your roll no.> <your name>] Interested to Participate in in-house workshop] on or before 5<sup>th</sup> June 2017 to confirm the number of participants.

**This is notice is issued for strict compliance.**

Dr. Srinivasa K G  
(Academic Head - IT)
