GOVERNMENT ENGINEERING COLLEGE
Jaffarpur, Delhi-110073
(Department of Information Technology)

Dated:-31-03-2015

URGENT NOTICE

NPTEL Video Lectures of Civil Engineering and Information Technology are now available in the college on Local FTP Server (GECNPTELServer). The Videos can be accessed through any web browser (preferred Mozilla Firefox) by typing the following IP Address on the browser address bar i.e.- **ftp://192.168.1.100** . It can be downloaded/accessed and viewed online/live in the college by any computer systems connected through LAN.

To view videos live follow the instructions given below:-

These steps are to SETUP VLC plug-in in your browser. If you already have the VLC player installed follow from Step 2.

Step 1: Use the download link of VLC player setup which includes plug-in or you can download it from internet. Install the VLC setup.

Step 2: Install Mozilla Firefox, Open Firefox browser and select "options" in toolbar.

Step 3: Move to Application tab and search for media file like mp3, audio, mp4 file.

Step 4: Choose the "MP4" file and click on "Action" column, then select "Use other" option.

Step 5: Select VLC player as your plug-in.

Step 6: Close all instances of Firefox and Restart Firefox browser.

- ❖ The above steps are for Firefox, but similar plug-in set up can be done in any browser.
- ❖ Similarly, the above steps have been defined for using VLC player.
- ❖ Any other media player can also be used
